Sir

With reference to Government Proceedings No 903-4 dated 19th February 1900 sanctioning an estimate of Rs 101/- for repairing the Sri Amriteswara Swami temple at Belur, I have the honor to submit herewith a completion bill for Rs 101-9-7 on account of the repairs referred to above for favor of countersignature and transmission to the Comptroller for audit and

and to state that the work as actually carried out is reported to differ slightly from the sanctioned estimate which may also be seen from a reference to the bill itself. The estimate provides for roofing with brick and mortar but as a portion of it which was only undertaken was found to be leaky, it was cemented over as suggested by the Public Works Department Sub-Division officer who is reported to have inspected the work in Company with the Amildar.

2. ——. The total cost by reason of the variation has exceeded the sanctioned estimate by only 9 annas 7 pies; and I solicit that sanction may be kindly accorded for meeting the same from the Savings out of the State grant.

3. ——. The Vernacular file of papers

Papers ending with Belun Amildar's report No. 144 dated 26th June 1900 is herewith forwarded for reference and obliging return -
